The ground floor offers an entrance hall, one bedroom, a bright open-plan living room with kitchen and dining area, a bathroom, and direct access to a sunny terrace. Upstairs are two additional bedrooms, a guest toilet, and an elegant gallery opening onto a large covered terrace overlooking the surrounding forests and mountains.

The beautifully landscaped grounds include a charming wooden pavilion, a summer kitchen, storage for tools and ski equipment, a covered carport for two vehicles, and additional parking for several more cars.

The cabin is sold fully furnished and ready for immediate use. High-quality timber windows and an energy-efficient infrared heating system with remote smartphone control ensure comfort throughout every season.
